## **MYSL GAMES/RULES OF PLAY - U-8 (6v6)**

Rules of Play shall be the Laws of the Game as published by FIFA. All contests sanctioned by this League shall abide by the “Laws of the Game” and the modifications as published by the League.

- I. Coaching is to take place from the sidelines between the center line and the penalty area line. The home team has their choice of sideline, or end of the field in the cases where only one side of a field is available. Infraction of this rule constitutes unsportsmanlike conduct and is subject to disciplinary action.
- II. Giving one’s own team points of strategy and position is permitted, provided:
  - a. No mechanical or electronic devices are used
  - b. Tone of voice is informative and not a harangue
  - c. Only coaches are allowed in the coach’s box during the game
- III. All family, friends, relatives and team officials must remain on the team’s side or end of the field, and the coach is responsible for their unacceptable behavior.
- IV. U-8 (6v6) Rules and Regulations

MYSL will use a small-sided format for our younger age groups.

**Field Markings:** a halfway line across the field; four corner arcs with two-foot radius; the goal area will be sixteen yards wide and six yards into the field of play, joined by a line parallel to the goal line; the penalty box should be 10 yards by 24 yards into the field of play, joined by a line parallel to the goal. The home team and/or club will be responsible for the condition of the grounds, the proper field markings and proper equipment. Nets and corner flags are required. It will be the responsibility of the home team to have a game ball and to see that their fans behave in a proper and respectful manner. All fields should be policed for litter before and after every game by both teams. An improperly marked or unmarked field is grounds for protest, at the discretion of the Commissioner. The game may be cancelled at the discretion of the Referee.

**Colors:** Where colors of uniform are similar, the home team must effect a change to colors that are distinct from those of the opponent.

- A. Length of Game: 50 minutes (two 25 - minute half's)
- B. Overtime Period: Two 10 - minute periods (5 minute rest between periods)
- C. Ball Size: 4
- D. The offside rule is NOT enforced.
- E. NO goal kicks – game is restarted with goalkeeper possession and goalkeeper can throw, kick, punt or dribble the ball back into play.
- F. The pass-back rule is NOT enforced.
- G. When the ball crosses a sideline, the game is restarted with a throw-in from the spot where it crossed the sideline.
- H. The goalkeeper, after handling the ball, may not punt the ball over the halfway line. For example, if a goalkeeper kicks the ball, it must bounce at least once before crossing the halfway line. However, the goalkeeper would be permitted to kick the ball across the halfway line if it is not picked up and handled first. NOTE: By definition, ALL drop kicks by the goalkeeper would be considered a violation of this rule. Violation of this rule will result in awarding a throw-in (in order to move the game along) to the opposing team of the offending goalkeeper at the nearest intersection of halfway line and sideline. A goalkeeper may not directly receive and handle a throw-in.
- I. All players must be 8 yards from the player taking any restart.
- J. All free kicks are INDIRECT (except penalty kicks), with opponents at least 8 yards from the ball until it is in play.
- K. The start of play shall be a kick-off from a center mark and all opponent players must be 8 yards from this mark on their side of the field. A goal may be scored directly from the kick-off.
- L. Corner kicks will be taken and, in the absence of field markings, the ball should be placed within 2 feet of the corner. A goal may be scored directly from a corner kick.
- M. Penalty kicks may be awarded in accordance with FIFA laws of the game and will be taken 8 yards from the goal line, at a mark or place which is approximately the center of the goal.
- N. **Player substitutions may be made, by either team, on any restart when the ball is out of play.**
- O. An additional player may be added to the game by a team at each negative four-goal differential. For example, a player may be added by a team when it goes down by four goals AND another player may be added if the goal differential increases to eight goals, etc. However, if a team has introduced an additional

- player under this rule, the number of players on the field for that team must be adjusted downward before the restart of play when the goal differential falls below the level at which this rule permitted the addition of a player.
- P. If the two teams both have at least five (5) players, the game shall start on the scheduled time. Otherwise they shall start when the two teams have reached that number or 15 minutes have elapsed.
  - Q. In League play-off games, should the score be tied at the end of regulation play, two (2) overtime periods shall be played. In the event no winner is determined after overtime play, then both teams will take five (5) penalty kicks (Rule 8 , USYSA) alternating one (1) at a time until a winner is determined.
  - R. The Referee in all games shall be appointed by the Board or its delegate. The Referee shall comply with the “Youth Soccer Score Reporting Procedure.” Referees will officiate the game in accordance with current MYSL Rules and Regulations. The Referees may at any time be called by the League Commissioner to review a game report.
  - S. In the event of nonappearance of the appointed Referee, the opposing coaches/managers should agree to a solution, written on the back of the game report and signed by both coaches. In that case, the game is to be played and will be official. If agreement is impossible, then the matter will be referred to the League Commissioner for action.

## FIELD PROCEDURES

### I. General

- A. Our purpose is to promote, teach and play soccer; to be flexible; to develop the abilities of our players; and above all, to advance good sportsmanship. Enjoy the game and leave it on the field. MYSL teams compete outdoors over two sessions, a Fall and Spring session — combined they make up a seasonal year.
- B. All teams are expected to play their complete schedule unless extenuating circumstances cause a cancellation. In the case of a cancellation, the Commissioner must be informed, and unless approved by the Commissioner, the teams should reschedule. (See below.)
- C. Players in the MYSL should expect to play in each game. Coaches are required to inform parents of disciplinary issues prior to sitting the player out and should inform the Commissioner if a problem is anticipated.
- D. The MYSL allows a team unlimited one-for-one substitution of its players in age groups U-11 and above upon the team's possession throw-ins, and the opposing team substitutes upon its possession throw-ins. Either team may substitute on a goal kick, at half-time, when a goal is scored, and for its injuries.

### II. Postponements and Forfeits

- A. The Commissioner must be notified by email of all games that are not played as scheduled, specifying the game number and reason for cancellation.
- B. Games scheduled without notification and approval of the Commissioner will not count in the standings and will result in possible disciplinary action.
- C. Request for a game change must be entered on the MYSL website – michigansoccer.com 24 hours in advance of the scheduled match. The coaches must mutually agree to the change and the request will be complete upon acceptance by the MYSL and posted on its web site under Schedule and Standings. Rescheduling may be required due to weather or field playability cancellations.
- D. Games rescheduled without the approval of the MYSL Commissioner will not count in the final standings and the team responsible for violating the change rules will be fined \$250.
- E. Teams that cause forfeits will not be eligible for trophies or consideration for assignment to the state scheduling league.

- F. Coaches will be equally responsible for Referee fees if the Commissioner and Referee schedulers are not notified of a cancellation.
- G. Referees shall be paid one-half of their fee for matches that are cancelled due to weather or if the field is determined to be unplayable by the Referee prior to the start of the game.
- H. Once a game has been started, the officials receive their full fees. If the first half has been completed, the score will stand. If the match is called prior to the completion of the first half, it must be rescheduled.
- I. Coaches must make every effort to reschedule the game within seven (7) days of the cancellation. If they are unable to reach an agreement, the Home team will provide the Commissioner with three (3) dates and the game will be set by the Commissioner.
- J. Forfeits will be awarded after a review of the facts, and then only by the Commissioner. The Commissioner will notify the coaches, the team causing the forfeit may be fined \$250, and the club affiliating the team will be required to post a \$500 performance bond for the subsequent season. The Club/League will lose their bond for a repeat violation of the same or similar nature as determined by the MYSL Executive Board.
- K. In case of a tornado watch or warning issued by the National Weather Service for the area in which a game is scheduled to be played, all games will be cancelled until the watch or warning is lifted.

### III. Red Cards and Yellow Cards

- A. Players and coaches who are issued red cards must sit out the remainder of the game in which the card was issued and the number of additional games indicated on the lineup sheet.
- B. Players or coaches receiving a second red card in the same Fall or Spring season are subject to further review and a hearing with the Disciplinary Board may result.
- C. Coaches may be carded or ejected for failure to control their sidelines or their players.
- D. Players who are cautioned **MUST** be substituted immediately and **MUST** sit out until the team's next opportunity to substitute.
- E. Suspensions **MUST** be served during the team's next MYSL game(s). A player/coach red carded during the last game of the season is required to sit out their suspension the following season.
- F. Players who receive three (3) yellow cards during a seasonal year must sit out the next game. All players/coaches sitting out suspensions must be noted on the front of the lineup sheet of the games they are sitting out.

  - C. The player(s) being challenged shall give their name(s) to the opposing team, and this information will be noted on the referee report in addition to documenting and signing the white copy of the game report sheet (as required and explained above).
  - D. The challenging coach shall then contact the League Registrar for verification that the challenged player(s) is (are) properly registered. If the Registrar's records show the player is properly registered, the matter is finished.
  - E. If the player is not properly registered, their team shall automatically forfeit that game and may face further disciplinary action by the League and/or the MSYSA Board, depending on the nature of the violation.
  - F. If the coach and/or assistant coach are not in possession of either their risk management cards or their passcards, the opposing team must note on the referee report the name, address and telephone number of the person(s) acting as coach or assistant, and each will be required to sign the lineup sheet. Coaches and assistants participating in games when not in possession of their risk management cards or their passcards may be dealt with by the Disciplinary Committee.

  - B. If upon investigation it is found that any individual directly involved with a team is not Risk Management-certified, the offending team will be immediately suspended, all games in

which the ineligible officials were involved will be forfeited, and the individual will be automatically MYSL-disqualified for a period of one year. If properly certified individuals cannot be found to direct the team, the team can no longer participate in the MYSL.

  - B. Players attaining the limiting age for any age group on or after August 1 will be eligible to play for the full seasonal year.
  - C. A reinstated player shall mean a player who has been reinstated to an amateur youth status.
- II. Age Groups
  - A. All teams, unless otherwise sanctioned by the Board shall divide play among teams of equal age groupings. Included age groups are: U-5, U-6, U-7, U-8, U-9, U-10, U-11, U-12, U-13, U-14, U-15, U-16, U-17, U-18, and U-19.
- III. Proof of Age
  - A. Any player can be called upon to prove his or her legal age by the MYSL Board, the Registrar or the League Commissioner. A birth certificate, passport, board of health record, certificate of naturalization or alien registration card shall be sufficient for proof of age.
- IV. Registration Procedure
  - A. All players are required to submit a properly completed player registration form, with the required number of pictures. The submittal of such form binds that player to that club or team for the seasonal year unless granted a transfer or release under the following rules.
  - B. Each club or team shall be required to submit to the appropriate League officer various forms as may be required for the operation of the League, including the appropriate number and type of Club Passcard identifications, if participating in the Club Passcard program.
  - C. Prior to each fall and spring season, by dates established by the Executive Board, each team must submit properly completed affiliation, registration and roster form to the age-appropriate Registrar, along with the established fees. Only those properly registered players appearing on the roster form are eligible to play that season. No player may be added to the roster after deadlines have passed, unless granted a hardship ruling by the Executive Board.
  - D. Each team official (i.e., coach, assistant coach, manager) shall be listed on the team affiliation form and roster.
  - E. No player shall be registered to play for more than one team within this League. No player shall play concurrently on any USSF-affiliated league team outside this League without obtaining the approval of the Executive Board. MYSL permits the use of Club Passcards, whose rules and regulations are incorporated with these Rules and Regulations.

- V. Player Registration
- A. A registered player shall be committed to a team for a seasonal year. Once registered, and in the absence of mitigating circumstances, a player must remain with his/her team in the League in which his/her team participates until the completion of the spring session.
  - B. Any attempt to induce a player to change teams for either the current or the following seasonal year during the session(s) in which his/her team is in competition shall be considered poaching and in violation of these Rules and Regulations (see Poaching Section). During the time that a team has suspended League play, players and club or team officers or representatives may freely discuss new affiliation for the following seasonal year.
  - C. MYSL-registered players who participate on high school teams and who play only during the one session of a seasonal year are expected to play in tournaments and cup games with the team to which they are rostered through June 30 of the seasonal year or until granted a proper transfer or release.
  - D. Registration for high school-aged players' teams shall be for a single session and not the seasonal year.
- VI. Player Roster Limits
- A. Teams playing age divisions: U-8 shall have no more than eleven (11) players registered at any time; U-9 and U-10 shall have no more than twelve (12) players registered at any time. Teams playing U-11 and U-12 shall have no more than fifteen (15) players; U-13 and U-14 no more than eighteen (18) players; and all other teams shall have no more than twenty two (22) players.
- VII. Date of Registration
- A. A player is registered the moment the player and his/her parent or guardian (if the player is under 18 years of age) signs the League Player Registration or submits any fees due at that time and is accepted by a responsible team/club/league official.
  - B. The Executive Board will set cut-off dates for Registration each playing or seasonal year.
- VIII. Multiple Rostering
- A. A player may register with more than one team per seasonal year. The following restrictions apply to multiple registrations:
    - i. A player cannot play for more than one team in the MYSL.
    - ii. The team with which a multiple-rostered player first registers shall be designated as his/her primary team and the other his secondary team. On days on which both teams have games, the player must play for his/her primary team if he/she plays. If both teams enter the same competition (e.g., State Cup, tournaments, etc.), the player must play for his/her primary team. Any player who registers for a team without informing the responsible team official that he/she is already registered with

another team shall be assumed to be a single rostered player. Should the player subsequently request approval of a multiple rostering form with that team shown as his/her secondary team, the team has the right to insist that it be shown as the primary team. If the coaches of the two teams disagree on the designation of the primary team, the player may not play until the issue has been resolved via the appeals process.

- iii. A multiple-rostered player shall be issued a single USYSA passcard by the league for his/her primary team. The passcard shall indicate the primary team and the secondary team. The League for the secondary team shall not issue a player passcard, but shall allow the player to play in its league using his/her passcard showing both teams.
- iv. Teams may register as many dual-rostered players as they wish, but teams that dual roster more than two players must play in our most competitive division in that age. Failure to comply with this restriction will result in a \$100 fine and the team will not be awarded first- or second-place trophies.

IX. Voluntary and Involuntary Releases

- A. A player's right to a voluntary release is absolute and may not be challenged; no player is required to play for a team he/she no longer wishes to play for. Upon receipt of the proper, complete and approved paperwork, the player will be considered released. It is the coach's responsibility to return a released player's passcard to the appropriate MYSL Registrar to consider the team roster spot available.
- B. Additionally, releases will be granted if:
  - i. The original team suspends operations for the remainder of the seasonal year, OR
  - ii. The player moves to a new address a distance which, in the opinion of the Board or its delegates would make it impractical for him or her to continue with the original team, OR
  - iii. There are mitigating circumstances that, in the opinion of the Board or its delegates, justify a release.
- C. Involuntary releases will be granted if:
  - i. The player has violated rules of this Association or League and has been suspended for a period of time greater than five (5) games, OR
  - ii. The player is injured in such a manner that the player will not be able to participate for the remainder of the season, OR
  - iii. The player moves to a new address, a distance that, in the opinion of the Board or its delegates would make it impractical for him/her to continue with the original team.
- D. In any of the above cases, where a player seeks a voluntary release or transfer or a team seeks to involuntarily release a player, a Player Release/Transfer Form must be completed by the player and/or team.

The form, with appropriate fees, must be submitted for approval by MYSL.

- X. Player Transfers
  - A. A player may transfer between MYSL teams between seasons of a seasonal year if the transfer is approved by both coaches, the club or league and the MYSL. The new team must have room on its roster to accept the transfer player during any seasonal year; a team may have no more than two (2) transfer players on its roster unless granted a hardship ruling by the Executive Board. Any team accepting transferred players or adding players not previously registered, shall be re-evaluated for divisional alignment
  - B. A team is considered 'hardship' when its roster is legally reduced to 13 players (except U-12, U-11 which shall be eleven [11] players and U-9 and U-10 which shall be nine [9] players). Application for player transfer must be made to the MYSL on the required forms.
  - C. The Executive Board will set cut-off dates for each playing or seasonal year for transfers.
- XI. Poaching
  - A. Any club or team which, through its responsible officers or representatives, attempts at any time to induce a registered player of any team under the jurisdiction of this League, during the session the team is in competition or prior to the officially announced tryout date to change teams for either the current seasonal year or the following seasonal year, may be deemed to have committed the offense of poaching and shall be dealt with by the League Commissioner subject to Executive Board approval and recommendations.

- II. Field Maintenance
  - A. Field maintenance is the responsibility of the home team. Accurate and clearly marked field with proper cutting are of vital importance. Goal posts should be properly painted. Nets, corner flags, and suitable game ball are also the responsibility of the home team. All fields should be policed for litter before and after every game by

both teams. An improperly marked or unmarked field is grounds for protest, at the discretion of the Commissioner. The game may be canceled at the discretion of the Referee.

  - B. All injuries to be claimed against the medical insurance shall be complete and on the proper form (obtainable from the MYSL Vice-President and/or Michigan State Youth Soccer Association). - VII. Affiliated Clubs/Leagues may deem it necessary to enact rules and regulations more stringent than those included herein, but in no case may their rules and regulations be less stringent than these MYSL Rules and Regulations.
- VIII. A plea of ignorance to these Rules and Regulations is not sufficient, and violators may expect appropriate action by the Executive Board of this League.

- IX. Michigan State Premier Program
  - A. Teams are sponsored for the seasonal year, so teams sponsored in the fall need not re-apply in the spring. All teams must apply in the fall.
  - B. Teams sponsored to the State Premier League will pay a \$75 fee in addition to registration fees.
- X. Risk Management Card
  - A. All coaches, trainers, managers and individuals who are involved with a team playing in the MYSL must have or be in the process of securing a Risk Management Card. Any team official in violation of this policy will be fined \$500 and suspended indefinitely. The Risk Management Card must be available at all games. Any team in violation of this policy will be fined. Failure to display for individuals: first violation is \$100, second violation is \$250 and a one-game suspension; third violation is \$500 and a three-game suspension along with disciplinary action by MYSL. See Referee section.
- XI. No club or league may register any teams until all fines are paid in full.
- XII. A club/league must have a minimum of three (3) teams, a board of directors with the minimum of three individuals and an odd number of directors. MYSL must first have approved a current set of by-laws for the club/league to be considered for MYSL membership.

\*The HOME TEAM pays the Referee fees.

NOTE: The above fees and MYSL Rules and Regulations are to be used for ALL MYSL competitions, superseding any local league/club rules and regulations. Any questions should be directed to the MYSL Commissioner.

- I. Pay only the officials who report for the game. Do not pay the full fee if only one or two officials report. The fee schedule above is for all MYSL games. Should a local referee association require additional fees, payment of these fees is the HOME team's responsibility.
- II. Assignments for U-12 centers and all officials for U-13 and up will be certified Referees from the local referee association. The HOME team is responsible for the assignment of certified assistant referees (AR) for the U-12 age group and for all officials for U-11 and younger age groups.
- III. ARs are not required for U-8, U-9 or U-10 games, but they are suggested and highly recommended. Every effort should be made to provide ARs for U-11 and up matches and consistent failure to do so may result in moving matches to fields where certified officials are available on a consistent basis.
- IV. Every effort should be made to play all games as scheduled. If the Referee fails to report, the senior AR should whistle the game. If no Referees report, U-8, U-9, U-10 and U-11 games can be officiated by a previously certified parent or sibling, or officiating can be shared by the coaches as a last resort. PLEASE NOTE: These changes should be agreed to

beforehand and should be written on the back of the lineup sheet and then signed by both coaches.

- V. The Referee MUST CHECK risk management cards for all team officials. Individuals not in possession of a risk management card must provide picture identification, print their name and sign the back of the original white lineup sheet. This failure to have proper certification must be noted on the front of the lineup sheet and the opposing team coach must be notified. Failure to have proper certification: first violation is \$100, second violation is \$250 and a one-game suspension; third violation is \$500 and a three-game suspension along with disciplinary action by MYSL.
- VI. If upon investigation, it is found that any individual directly involved with a team is not Risk Management-certified, the offending team will be immediately suspended, all games in which the ineligible officials were involved will be forfeited, and the individual will be automatically MYSL-disqualified for a period of one year. If properly certified individuals cannot be found to direct the team, the team can no longer participate in the MYSL.
- VII. Failure of Referee to check that the Team Coach, Manager or Trainer possesses, a valid Risk Management Card will be grounds for discipline. The first occurrence will result in a written warning, the second another written warning along with a \$50 fine, and the third violation will result in suspension from officiating MYSL matches for a seasonal year and the USSF will be notified.
- VIII. All formal Referee complaints must be made in writing with the coach's phone number and his signature or the signature of his designated representative. Complaints should be mailed to the Commissioner who will pass them along to the association responsible for the assignment. ALL formal complaints will be addressed through the following steps: First, the official will be observed and assessed by a senior official. Second, if a problem is found, the official will be trained and their assignments modified to accommodate their level of competence. Finally, if the Referee cannot perform up to an acceptable level, they will no longer be eligible to officiate MYSL games. The coach will be notified by the referee association of the action taken.
- IX. The Referee MUST CHECK all the players passcards prior to the game.
  - a. If a player does not present a player passcard to the referee prior to the game, they are open to 'challenge' by the coach of the other team.
  - b. If a coach desires to challenge, he shall notify the Referee and the opposing coach that the player is under 'challenge' (not to be confused with Protest) prior to the start of the game.

\*\* It is strongly suggested that under-aged players should be within two years of being team age appropriate. Failure to abide by this recommendation may result in the team being denied registration. **Split birth year teams are highly discouraged.**

\*\*\* For Fall 2015, teams playing U-13 and up in the major, red or white divisions will be limited to dual registering no more than two players involved in leagues more competitive than MYSL first division (i.e. MSPSP, MRL). Failure to comply with this policy will result in forfeiture of all games and fine of \$250. The coach will be placed on probation for a period not to exceed two years.

## Club Passcards

### **MYSL CLUB PASSCARDS**

Club Passcards are available to all MYSL Leagues and Clubs with the objective of allowing coaches to move players within their own League/Club based on a player's development needs and specific team needs.

Abusing or violating any of the MYSL rules and regulations while using Club Passcards is a serious offense and will be dealt with as such.

Each participating League/Club must give MYSL an approved logo that will be printed on all of their passcards. This enables the referee and opposing team to determine that there may be Club Passcard players participating in an MYSL league game. **The official MYSL game sheet must note, in the spaces provided, ALL players competing in that game who are using their Club Passcards, supplying their name, original team, age group and division. FAILURE TO FILL OUT GAME SHEETS PROPERLY COULD RESULT IN A MISUSE OF CLUB PASSCARDS AND A VIOLATION OF REGULATIONS AS STATED BELOW.**

[ The MSPSP club passcard rules have been included as a separate adendum at the end of these rules]

### *FOR AGE GROUPS U-8, U-9 and U-10*

- A player can use a Club Passcard to PLAY for any of their specific Club/League teams in their respective age groups, while playing in either U-8, U-9 or U-10. The penalized player **must serve (sit out)** his/ her penalty at the **next physically played league game** of their originally registered team, regardless of which team he/she was playing for when the card was received.
- **Please Note: In order to avoid forfeiting a game and possible league position in the standings you must mark clearly that the player is serving his/her penalty for a red card or yellow card infraction on your game sheet.**
- If a player receives three (3) or more yellow cards in any seasonal year, they must sit out a game. This applies to all league play regardless of which team and or teams they received the yellow cards with. **THREE (3) YELLOW CARDS IN REGULAR LEAGUE PLAY** require a player to sit out one (1) game with his rostered team.
