\* Second place trophies awarded only for divisions with six or more teams.

\*\* It is strongly suggested that under-aged players should be within two years of being team age appropriate. Failure to abide by this recommendation may result in the team being denied registration.

\*\*\* For Fall 2016, teams playing U-13 and up in the major, red or white divisions will be limited to dual registering no more than two players involved in leagues deemed more competitive than MYSL first division (i.e. MSPSP, MRL). Failure to comply with this policy will result in forfeiture of all games and fine of \$250. The coach may be placed on probation for a period not to exceed two years.
