The screenshot shows the GotSoccer website interface. At the top, there is a navigation bar with the Michigan State Youth Soccer Association logo and various menu items like Home, Events, Game History, etc. Below this is a secondary navigation bar with tabs for Team, Hotels, Rooming, Sales, Payment & Status, Schedule, Requests, Misconduct, Guests, Support & Feedback, Roster, and Documents. The main content area displays the MYSL Fall 2017 schedule for Boys U11 MYSL. A yellow banner provides a link to 'View Event Roster'. Below this, a table lists game entries. One entry is circled in red, and a callout box labeled 'Link to print Game Reports' points to a PDF icon next to it.
